

PRICE LIST

The Veneztetics packages can be tailored to suit your individual needs. You can choose to have single or multiple surgeries, and combine these with non-invasive procedures such as Botox, chemical peels, endermologie, fillers etc...

The prices quoted below are **package prices**. They include: return flights, 4* hotel suite (14 nights), transfers to hotels, pre-operative tests, cardiology tests, consultation with surgeon, corsets (if required), post-operative medication, transport to clinics and appointments, nurse for post-operative care.

If you require a treatment which is not listed above please contact us directly for a quote.
